SPONSORSHIP:

Currently I am being sponsored by Star-Fish with boards. For the Slalom discipline I race with Patrick at rider's price. My sails for the Wave discipline are LoftSails.

My motivation and goal towards sponsorships is always thinking long-term collaborations.

For the upcoming seasons, I am going to keep racing in the Spanish Championship Funboard, and in the Slalom and Wave events of the Juniors & Youth PWA. This year I will also be racing in some of the events of the PWA world tour.
